# **Earn Money By Watching 5 Youtube Videos a Day**

Ok fellas, I not going to bored with long ebook nobody take till the end.

I will go straight to the meat.

There is a public website out there that is paying \$2.50 USD after you watch 5 videos daily, yeah this is:

**\$17.5 per week or \$75 USD per month**

I know that this sounds crazy, but the best part is that you can increase your earning every time some one sign up after your affiliate link, this means that you can make a lot more than \$75 USD per month.

Ok, how you sign up?

It's simple, please click the link below to sing up, after that, you will receive \$5 USD just for joining.

**[SIGN UP HERE](#)**

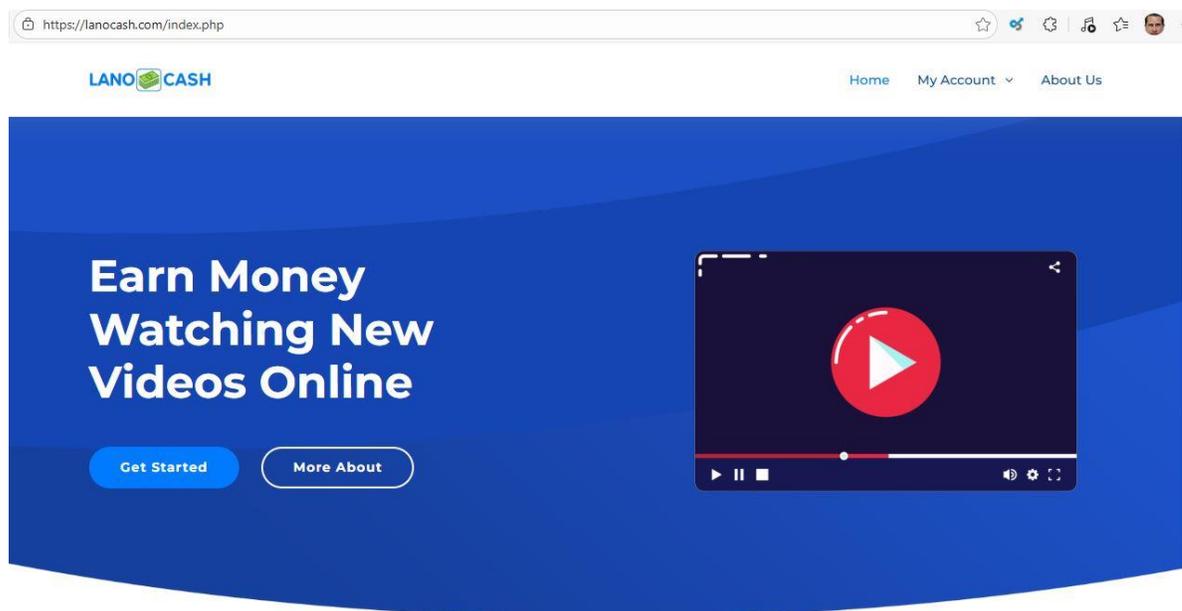

Then watch 5 videos, and wait for the Blue button "**COMPLETED**" appear and click over it to go to the next video.

Look, every time you click on a video there will be at least a couple of pop up windows. **You just need to close them** and focus on main page (**dashboard**) to watching the 5 videos daily.

That's it, here you are, a simple method to earn money daily in a matter of 5 minutes just by watching 5 videos daily.

These are the steps to follow:

1. Go to the link above and register:

How does it work?

We have partners at lanocash. love share multiple videos

## 2. Once registered, login and go to Dashboard:

The screenshot shows the LANOCASH dashboard interface. At the top, there is a navigation bar with the LANOCASH logo and links for Home, My Account, and About Us. The main content area features three summary cards: 'Total views' (45), 'Watch BALANCE' (27.23\$), and 'Account BALANCE' (29.23\$). Below these cards is a call to action: 'Watch entertaining videos and earn!'. A list of videos is shown on the left, with the first video highlighted. The main content area displays a message: 'This video available after 3 hours and 59 minutes and 28 seconds'.
